

RESOLUTION

ARTISTIC COORDINATION OF LA CENTRAL DEL CIRC 2022-2024

As of February 11, 2022, the Nomination Committee, consisting of two people from the APCC Board, two from the Artistic Council and two from the office of La Central del Circ, have conducted and completed a meeting for the nomination of a new Artistic Coordinator for the period 2022-2024 (with the possibility for a maximum one-year extension), and have accepted the proposal of:

Víctor Bobadilla Parra

Of the nineteen proposals presented, the committee has selected the one made by this candidate owing to the high quality of the project he presented, his artistic vision of the circus sector and specifically of La Central del Circ, his knowledge of the current state of affairs of drama and contemporary circus both in the international level and in the Catalan territory, and his desire to generate dialogue with the different agents that configure and challenge the project at large.

Additionally, we would also like to inform you that in order to make the hiring of the new Artistic Coordinator effective, we have initiated an administrative procedure according to State regulations regarding foreign employees, which may be prolonged by two or three months depending on the respective administrative deadlines. At La Central del Circ, we are working to complete the process as soon as possible and thus start a new artistic chapter.
