

## **SESSIONS WITH PHYSIOTHERAPISTS**

La Central del Circ benefits from a physiotherapy room, designed for the therapists to offer treatments adapted to circus artists. The room includes a special, therapy worktable.

The artists have access to these therapies at discounted prices, which also applies to APCC members. The price per session varies between 40 and 45 Euros and increases for patients with no membership.

Currently there are two therapists who offer physiotherapy and osteopathy services:

### **James Wellington (physiotherapist): Friday from 10pm to 3pm**
