**REINSTATEMENT OF THE ARTISTIC COORDINATION OF LA
CENTRAL DEL CIRC**

From La Central del Circ, we inform you that in January 2025, Víctor Bobadilla will rejoin as the artistic coordinator of the facility. As we previously communicated, Víctor was forced to temporarily step down from his position due to an unexpected situation related to legal and administrative matters arising from the Immigration Regulation.

The team at La Central del Circ celebrates this excellent news and is very pleased that the situation has been resolved positively. This will allow Víctor to resume his duties until June 2025, when his contract will end.

We once again appreciate the understanding and support of the entire circus community during this period of uncertainty.
